

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing city hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due

to starved nerves. Our bodies need more phosphate than is obtained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear, dull eyes ought to brighten, and the cheeks glow with the bloom of perfect health. Miss Georgia Hamilton, who was once thin and frail, reporting her own experience, writes: "Bitro-Phosphate has brought about a magic transformation with me. I gained 15 pounds and never before so well."

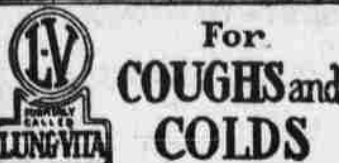

CAUTION: — Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its tendency to increase weight, be used by anyone who does not desire to put on flesh.

COUGH GONE; SLEEPS FINE

Louisville Man Says Lung-Vita, Now Called L-V, Gave Relief.

"I want to tell you what Lung-Vita has done for me," says Mr. Gus Howard, who lives at 845 East Chestnut, Louisville, Ky. "My chest hurt and I had a bad cough. I had become so nervous that I could not rest at night. I was advised to take Lung-Vita and have taken several bottles of it. The pains through my chest are gone. I sleep fine and my cough is a thing of the past. I am glad to recommend Lung-Vita to anyone suffering as I have."

The medicine that is recommended above is now called L-V. The change of name only, however, for the medicine itself is just the same. Your druggist will furnish you our medicine under the name of Lung-Vita while his present stock lasts, but after that is gone under the name of L-V.

BAPTISTS ENGAGE PACIFIC STEAMER

Boatload of Missionaries to Sail for Orient Next August, Is Report.

NASHVILLE, Tenn., Nov. 21. (Sp.)—Following the larger number of volunteers offering themselves for foreign mission service and the ample mission funds made available from the Baptist \$75,000,000 campaign, the entire passenger facilities of one of the trans-Pacific steamers plying between Seattle and the Orient has been engaged by the foreign mission board of the Southern Baptist convention for next August, it is announced by Dr. T. B. Ray, associate secretary of the mission board and survey director of the \$75,000,000 campaign, the space to be occupied by a hundred new missionaries and their families who will be assigned to fields in China and Japan.

This means that the liner will have no passengers aboard save Baptist missionaries and Dr. L. R. Scarborough, general director of the campaign, declares this is the largest number of missionaries to go out from a single denomination at one time, aboard one vessel, in the history of foreign missions, and that it is the first time in the history of the world that an entire vessel has been chartered for the missionaries of a single religious faith.

And while this shipload of new missionaries will be assigned to the two fields of China and Japan, where the work done heretofore will be greatly enlarged, a number of other missionaries will go forth at the same time to the other eight foreign fields occupied by Southern Baptists, though the extent of the other fields and their scattered locations are such that it will be impossible for those missionaries to sail together in such large numbers as go to the Orient. A total of 500 new missionaries will go to the foreign fields occupied by Southern Baptists as a result of the \$75,000,000 campaign, though not all of them will be appointed the first year.

In addition to the number of missionaries to be sent out from America as a result of the campaign, the force of native workers will be increased on every field. Already the foreign mission board has appointed 27 of the best trained young men in the new republics of Czechoslovakia to special evangelistic service in their own country.

Approximately 7,500 men and women have volunteered for missionary and other special forms of Christian service since the \$75,000,000 campaign was launched, and the enlarged work of the denomination made possible through the campaign will require the services of all these and the others that are to follow, Dr. Scarborough believes.

Many of the churches are not waiting for Victory week, Nov. 30-Dec. 7, to begin their drives for funds and subscriptions, but have decided to do the work now in order that they may release their forces to assist other churches during Victory week. And every church that has taken its subscriptions in advance has gone over the top, some by long distances. The record for oversubscription so far is held by the rural church of Shiloh, in Georgia, which, with a quota of \$2,000, has subscribed \$10,000, an excess of 400 per cent.

SHIP "MYSTERY" DASHED ON ROCKS

Launching Attempted by Skipper Byrnes and Boat Careens to Sidewalk

"Old Simon, don't go to the old light-house tonight, there's a rough sea blowing beyond the hook; the Betsy Jane will be dashed on the rocks and Helen Montague, proud beauty, shall perish." Thus might the skipper of the good ship Mystery paraphrase the passage from "Shore Acres" for the good ship Mystery, in which Skipper Byrnes was to have sailed beyond the hook of Mud Island for his second, or perhaps third, honeymoon early Friday morning, was dashed upon the rocks of Monroe avenue and now lies on her port side on the sidewalk, near the fire department headquarters.

She is believed to have been little damaged.

Her skipper, free of the restraint of legal proceeding, for at least the time being, attempted to launch the mystery craft early Friday. He tried to get a Patterson Transfer company truck to do the job, but business elsewhere prevented. The then assigned a release from the transfer company, as it feared there might be some danger of wreck, and tried to move the boat himself.

Amateur drivers and roughness of the pavement did the business. Instead of taking to the water, the boat slipped from the skids on the truck used, and on the way to Blytheville launching on the Monroe avenue sidewalk.

Whether the vessel will be taken to dry docks at Madison avenue, near Forrest park, where it was built, or whether attempts to launch it in its present state will be made, still are wrapped in the mystery of the minds who conceived it.

Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California."

COTTON MEN ASK SHIELDS TO QUIT

Exchange Telegraphs Him Resolution Asking That He Resign as Senator.

The resignation of Senator John K. Shields was asked by the Memphis Cotton exchange in a resolution adopted Thursday afternoon at a called meeting of that body. The resolution was adopted without a dissenting vote and was prepared by a committee of five appointed at the meeting. The meeting remained in session until the resolution had been drawn and was then adjourned.

Copies of the telegram were wired to Senator Shields, President Wilson and to Gov. A. H. Roberts. The resolution as adopted follows:

"At a general meeting of the Memphis Cotton exchange, held this day, it was unanimously resolved that your vote on the peace treaty does not in any way reflect the sentiment of this body, in our opinion it was unwise, unsound and unpatriotic. Inasmuch as you have stated that you can not with honor to yourself vote for the treaty, we ask that you resign so that the governor of Tennessee may appoint a senator who will more truly represent the sentiment of all the citizens of Tennessee in the December session of the congress."

The meeting was presided over by I. H. Barnwell, president, and the following committee of five were appointed to draw up the resolution: J. P. Norfleet, E. W. Porter, A. E. Jennings, F. M. Crump and J. H. Barnwell.

The resolution was read by Mr. Norfleet and unanimously adopted without change.

SOVIET RUSSIA DAILY FACING SERIOUS CRISIS

ARCHANGEL, Nov. 21. (By Associated Press.)—The situation in soviet Russia daily in growing more serious. In several towns workers are without employment and desperately hungry, have revolted against the Bolsheviks. Factories are closed and the employees living on vegetables. No sugar is obtainable.

The Red terror is spreading throughout the country. The Red army is becoming demoralized and troops who were formerly mobilized are deserting in streams. Fugitives are arriving in Archangel barefooted and in rags. All of them complain of hunger and ill-treatment by the communists.

STEEL MILLS MAY CLOSE
OWING TO BIG SHORTAGE

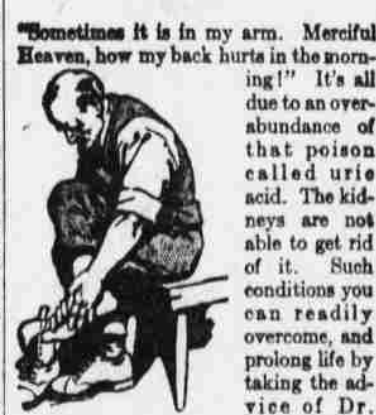

YOUNGSTOWN, O., Nov. 21.—Mills of the Mahoning and Shenango valleys, forming the second largest steel producing region in the country, today faced possibility of closing on account of coal shortage, following orders by D. T. Murray, local fuel director, cutting off supplies to all factories.

CORINTHIANS COMPLETE 3,000-MILE AUTO TRIP

CORINTH, Miss., Nov. 21. (Sp.)—Ex-Senator and Mrs. C. Kendrick, and Paul Spahn, of this county, have just returned from a 3,000-mile cross-country trip to extreme West Texas, in an automobile. Dr. Kendrick is owner of some fine oil property in the west and conceived the idea of making the trip to look after the property in an automobile.

They returned from a 40 days' travel on the same tires they started away on, had only six punctures on the entire trip, and one of the tires brought back the same air that it carried away from Corinth. Twice they were held up for more than a day on account of high water, but at no time did they suffer any serious trouble.

"Gee-Whiz! How it Hurts!" —The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order."

"Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

P. W. DARBY GOES TO PEN FARM ON APPEAL

SENATORIA, Miss., Nov. 21. (Sp.)—P. W. Darby, a prominent young white man, who was convicted of murder at the recent term of the circuit court

here and given a life sentence in the state penitentiary, went on to the state farm at Rankin Thursday with the case to the supreme court and was allowed bond pending his appeal to the supreme court.

Darby killed his brother-in-law, D. O. Wade, at Savage in August. Both men had large families. Cecil V. Kiser, who was convicted of manslaughter and

given a sentence of 10 years in the state penitentiary, has appealed his case to the supreme court and was allowed bond pending his appeal to the sum of \$10,000.
